FASHION DESIGN COURSES

From Fashion enthusiast to Fashion professional.

An industry-focused, hands-on Fashion Design programme by Le Mark Institute, Mumbai.

From your first sketch to a career in Fashion Design.

THE OPPORTUNITY

Every look starts with an idea. Every idea needs a designer.

Fashion is everywhere from independent labels and boutiques to styling, retail, e-commerce and content. As the industry continues to evolve, the demand for creative professionals who can turn ideas into designs is growing.

But fashion is more than knowing what looks good.

Today's fashion professional needs to understand design, fabrics, styling, garment development and the business behind fashion.

Le Mark Institute is built to help you turn your creativity into practical skills, a strong portfolio and a clear direction in fashion.

THE DESIGNER EDGE

“Fashion isn’t just about what you wear. **It’s about the person who knows how to create it.”**

The fashion industry needs more than people who can draw a good sketch. It needs creative professionals who understand how ideas become garments, collections, styles and brands.

At Le Mark Institute, your learning goes beyond design fundamentals. You develop the skills to design, make, style and build giving you a broader foundation for a career in fashion.
