INTERIOR DESIGN COURSES

From space enthusiast to Interior Design professional.

An industry-focused, hands-on Interior Design programme by Le Mark Institute, Mumbai.

From your first concept to a career in Interior Design.

THE OPPORTUNITY

Every space has a purpose. Every great space needs a designer.

From homes and offices to cafés, retail spaces and hospitality environments, interior design shapes how people live, work and experience a space.

But great interiors are about more than choosing colours and décor.

Today's interior design professional needs to understand space planning, materials, furniture, drafting, styling and the practical side of design.

Le Mark Institute is built to help you turn your creativity into practical design skills, a strong portfolio and a clear direction in interior design.

THE SPACE DESIGNER EDGE

“Interior design isn't just about making a space look good. **It's about making it work beautifully.”**

A successful interior designer needs to understand more than aesthetics. They need to know how to plan a space, work with materials, develop furniture concepts and communicate their ideas clearly.

At Le Mark Institute, your learning goes beyond design fundamentals. You develop the skills to plan, design, present and build giving you a broader foundation for a career in interior design.

From your first room concept to complete interior projects.
