Production**

Offered by Top Autonomous
Colleges affiliated with the
University of Mumbai

Programme Overview

Offered in collaboration with top autonomous colleges affiliated with the University of Mumbai, the 3-Year B.A. Photography and Digital Media Production is designed to transform creative passion into professional expertise.

The programme blends photography, videography, filmmaking, digital media tools, and visual storytelling with hands-on studio learning and industry exposure. Students gain in-depth technical knowledge, creative direction, and production skills aligned with current industry standards.

With a strong focus on portfolio development, live projects, and career mentoring, graduates are prepared to enter photography studios, production houses, media agencies, or build independent creative careers.

01

Photography, Lighting and Visual Composition

02

Studio Production, Photo Editing and Digital Imaging

03

Photography and Videography Production Pipeline

How you Will Learn

Learning is studio-based, practical, and theory-supported, not limited to classrooms.

Photography Foundations and Visual Language

Understanding composition, lighting, camera techniques, and visual storytelling.

Digital Media and Video Production

Hands-on training in videography, editing, and post-production.

Studio Shoots and On-Field Projects

Practical experience through fashion shoots, product shoots, documentaries, and short films.

Live Projects and Industry Exposure

Work on real briefs, campaigns, and collaborative industry projects.

Portfolio Development and Critiques

Structured portfolio building with reviews and jury evaluations.

Masterclasses and Workshops

Sessions led by professional photographers, filmmakers, editors, and media experts.

Industry Visits and Study Tours

Exposure to studios, production houses, agencies, exhibitions, and media events.

End-to-End Media Creation

Conceptualise, produce, and deliver photography and video projects individually and in teams just like working professionals.

Careers and Support

Empowering students with skills, exposure, and guidance to build successful media careers

01 Industry Internships

Hands-on exposure with studios, agencies, and production houses

Portfolio and Showreel Development

Build a strong professional portfolio and video showreel

02

03 Career Mentorship

Guidance from industry experts and creative professionals

Placement Assistance

Support for jobs, freelance projects, and assistant roles

04

05 Networking Opportunities

Access to alumni and industry networks

Entrepreneurship Support

Guidance to start independent careers or creative ventures

06

Industry Connect that Leads to Successful Placements

Our programme prepares students for opportunities across photography studios, media production houses, and digital content agencies. Through portfolio development, industry exposure, and career guidance, students are equipped to explore internships and professional opportunities in photography, digital media, and visual production.

Your Pathway to Careers in the Photography and Digital Media Production
