- › Research Methodology
- › Industry Collaboration Experience

How you Will Learn

Learning is studio-based, practical, and theory-supported, not limited to classrooms.

Concept Development and Ideation

Transforming ideas into well-defined concepts through research, creativity, and strategic thinking.

Design Execution and Garment Construction

From concept to creation building garments with strong design execution and craftsmanship excellence.

Live Projects and Industry Exposure

Hands-on experience through real-world projects and direct interaction with industry professionals.

Portfolio Development and Jury Presentations

Guided portfolio creation with structured jury presentations to evaluate design skills and concept clarity.

Masterclasses and Workshops

Expert-led sessions by renowned designers, stylists, merchandisers, and fashion entrepreneurs, offering industry insights.

Individual and Group Projects

Creative assignments that encourage independent thinking and teamwork, reflecting real-world fashion workflows.

Participation in Fashion Shows

Opportunities to showcase student collections on professional platforms, gaining industry and media exposure.

Industry Visits and Study Tours

Organized visits to fashion houses, manufacturing units, exhibitions, and trade fairs for practical industry exposure.

Careers and Support

Empowering students with guidance, exposure, and opportunities to launch successful fashion careers.

01

Industry Internships

Hands-on exposure with fashion brands and studios

Portfolio Development

Build a strong, professional portfolio to impress employers

02

03

Career Mentorship

Guidance from experienced designers and industry experts

Placement Assistance

Support for securing jobs and freelance opportunities

04

05

Networking Opportunities

Connect with alumni, brands, and industry professionals

Entrepreneurship Support

Guidance for starting your own label or design-led venture

06

Industry Connect that Leads to Successful Placements

Through strong industry relationships and academic collaboration with Le Mark Institute for over 23 years, students gain opportunities for internships, industry projects, guest lectures, and professional networking that support their transition from education to employment.

Your Pathway to Careers in the Fashion Design
