Prefer designers with practical, site-ready and software-based industry skills

One Industry. Multiple Careers.

Spatial | Furniture and Product
Retail and Hospitality | Set and Exhibition
3D Visualisation | Real Estate Strategy
Entrepreneurship

**Graduate with a
B.Sc. Degree in
Interior Design**

Offered by Top Autonomous
Colleges affiliated with the
University of Mumbai

Programme Overview

Offered in collaboration with top autonomous colleges affiliated with the University of Mumbai, the 3-Year B.Sc. Interior Design at Le Mark Institute is structured to convert creative vision into professional expertise.

The programme emphasises studio-based learning, spatial planning, material knowledge, construction techniques, and design execution, supported by strong industry exposure and portfolio development.

Aligned with academic benchmarks and current industry practices, the curriculum focuses on practical training, technical proficiency, and design problem-solving.

Through experiential learning and career-oriented mentoring, students explore diverse career opportunities across residential, commercial, retail, and hospitality design-graduating with confidence, competence, and industry readiness.

01 Spatial Design and Interior Concepts

02 Materials, Lighting and Interior Detailing

03 Interior Styling, Branding and Design Entrepreneurship

Skills and Knowledge you Will Develop during the Programme

The B.Sc. in Interior Design programme focuses on building a strong foundation in design principles, spatial planning, materials knowledge, and digital design tools. Students develop a combination of creative, technical, and professional skills required for successful careers in interior design.

Interior Design Fundamentals

- › Elements and Principles of Interior Design
- › Space Planning and Layout Development
- › Concept Development and Mood Board Creation
- › Design Aesthetics and Spatial Composition

Digital Design Tools

- › Computer-Aided Drafting
- › 3D Modelling and Interior Visualization
- › Digital Rendering Techniques
- › Professional Design Presentations

Materials and Construction Knowledge

- › Interior Materials and Finishes
- › Furniture Design and Detailing
- › Construction Techniques and Structure
- › Sustainable and Eco-Friendly Materials

Lighting and Environmental Design

- › Lighting Design Principles
- › Colour Theory and Material Coordination
- › Environmental and Ergonomic Considerations
- › Sustainable Design Practices

Interior Business and Management

- › Interior Design Marketing Strategies
- › Client Behavior and Space Planning
- › Project and Vendor Management
- › Furniture and Décor Merchandising
- › Design Entrepreneurship and Studio Launch

Professional Development

- › Portfolio Building
- › Design Presentation Skills
- › Industry Collaboration Experience
- › Design Research Methodology

How you Will Learn

Learning is studio-based, practical, and theory-supported, not limited to classrooms.

Concept Development and Space Planning

Developing spatial concepts through research, user analysis, zoning, and design thinking.

Design Execution and Technical Detailing

From drawings to execution working on layouts, services, materials, finishes, and construction details.

Live Projects and Industry Exposure

Hands-on experience through real client-based projects and interaction with industry professionals.

Portfolio Development and Jury Reviews

Structured portfolio creation with regular jury evaluations to refine design thinking and presentation skills.

Masterclasses and Workshops

Expert-led sessions by interior designers, architects, lighting consultants, and industry specialists.

Individual and Group Projects

Creative and technical assignments that simulate real-world interior design workflows.

Site Visits and Execution Exposure

Practical exposure through visits to live project sites, showrooms, factories, and exhibitions.

Industry Visits and Study Tours

Organised visits to design studios, construction sites, furniture units, and trade fairs.

Careers and Support

Empowering students with guidance, exposure, and opportunities to build successful interior design careers.

01

Industry Internships

Practical exposure with interior design firms, studios, and developers

Portfolio Development

Create a strong, professional portfolio aligned with industry expectations

02

03

Career Mentorship

Guidance from experienced interior designers and industry professionals

Placement Assistance

Support for job placements, freelance roles, and project-based opportunities

04

05

Networking Opportunities

Connect with alumni, design firms, vendors, and industry experts

Entrepreneurship Support

Guidance to start your own interior design practice or design-led venture

06

Industry Connect that Leads to Successful Placements

Through strong industry relationships and academic collaboration with Le Mark Institute for over 23 years, students gain opportunities for internships, industry projects, guest lectures, and professional networking that support their transition from education to employment.

Your Pathway to Careers in the Interior Design

150+

Admissions and Next Steps

Step 1

Select Your Campus

Choose the campus that best fits your location, facilities, learning environment, and academic goals.

Step 2

Book a Counselling Session

Connect with our academic counsellors to explore the programme structure, career paths, and opportunities.

Step 3

Submit Your Application

Complete the application form with the required details to officially apply for the programme.

Step 4

Confirm Your Admission

Secure your seat by completing the admission formalities and begin your journey toward a interior design career.
