Brands**

Prefer designers with practical, industry-ready skills

## One Industry. Multiple Careers.

Design | Styling | Merchandising  
Media | Entrepreneurship

## Creativity Meets Opportunity

From sketching concepts to launching labels, fashion turns ideas into real-world careers.

# Program Overview

Offered in collaboration with top autonomous colleges affiliated with the University of Mumbai, the 3-Year B.Sc. in Fashion Design and extended 4-Year B.Sc. (Hons.) in Fashion Design at Le Mark Institute are designed to transform creative potential into professional expertise.

The program focuses on hands-on studio learning, garment construction, design execution, industry exposure, and portfolio development, ensuring students are prepared for real-world fashion careers. Aligned with academic standards and industry expectations, the curriculum emphasises practical training, creative thinking, and professional readiness.

With strong experiential learning and career-oriented mentoring, students can explore diverse career paths across fashion design, styling, retail, and entrepreneurship, graduating with the skills, confidence, and industry awareness required to succeed in the fashion industry.
