Prefer designers with practical, site-ready & software-based industry skills

One Industry. Multiple Careers.

Residential Design | Commercial Design | Furniture Design | Set Design | Visualisation | Real Estate | Entrepreneurship

Design That Shapes Real Lives

From homes and offices to retail spaces and hospitality projects, interior design transforms ideas into functional, livable environments.

Program Overview

Offered in collaboration with top autonomous colleges affiliated with the University of Mumbai, the 3-Year B.Sc. in Interior Design at Le Mark Institute is structured to convert creative vision into professional expertise.

The program emphasises studio-based learning, spatial planning, material knowledge, construction techniques, and design execution, supported by strong industry exposure and portfolio development.
Aligned with academic benchmarks and current industry practices, the curriculum focuses on practical training, technical proficiency, and design problem-solving.

Through experiential learning and career-oriented mentoring, students explore diverse career opportunities across residential, commercial, retail, and hospitality design-graduating with confidence, competence, and industry readiness.

01 Offered by Top Autonomous Colleges

02 Eligibility: 12th Grade (or equivalent)

03 Campus: Andheri | Ghatkopar | Thane | Matunga

How you Will Learn

Learning is immersive, studio-driven, and practice-oriented beyond traditional classrooms.

Concept Development & Space Planning

Developing spatial concepts through research, user analysis, zoning, and design thinking.

Design Execution & Technical Detailing

From drawings to execution working on layouts, services, materials, finishes, and construction details.

Live Projects & Industry Exposure

Hands-on experience through real client-based projects and interaction with industry professionals.

Portfolio Development & Jury Reviews

Structured portfolio creation with regular jury evaluations to refine design thinking and presentation skills.

Masterclasses & Workshops

Expert-led sessions by interior designers, architects, lighting consultants, and industry specialists.

Individual & Group Projects

Creative and technical assignments that simulate real-world interior design workflows.

Site Visits & Execution Exposure

Practical exposure through visits to live project sites, showrooms, factories, and exhibitions.

Industry Visits & Study Tours

Organised visits to design studios, construction sites, furniture units, and trade fairs.

Careers & Support

Empowering students with guidance, exposure, and opportunities to build successful interior design careers.

01 Industry Internships
Practical exposure with interior design firms, studios, & developers

Portfolio Development 02
Create a strong, professional portfolio aligned with industry expectations

03 Career Mentorship
Guidance from experienced interior designers & industry professionals

Placement Assistance 04
Support for job placements, freelance roles, & project-based opportunities

05 Networking Opportunities
Connect with alumni, design firms, vendors, & industry experts

Entrepreneurship Support 06
Guidance to start your own interior design practice or design-led venture

A Vibrant Campus Culture

Fueling creativity and innovation through immersive, hands-on learning. Preparing you with real-world skills for a successful professional journey.
