

PHOTOGRAPHY COURSES ———

# Become a professional Photographer with AI on your side.

---

An AI-integrated, hands-on creative programme  
by Le Mark Institute, Mumbai.

*From your first shot to a career in photography.*

# There's never been a better time to pick up a camera.

Weddings, brands, e-commerce, editorial, social Mumbai runs on images, and the demand for people who can make them keeps growing.

But the craft is changing. AI now sits inside every professional's edit. The photographers who thrive won't be replaced by it they'll be the ones who command it.

Le Mark Institute is built to make you exactly that photographer.

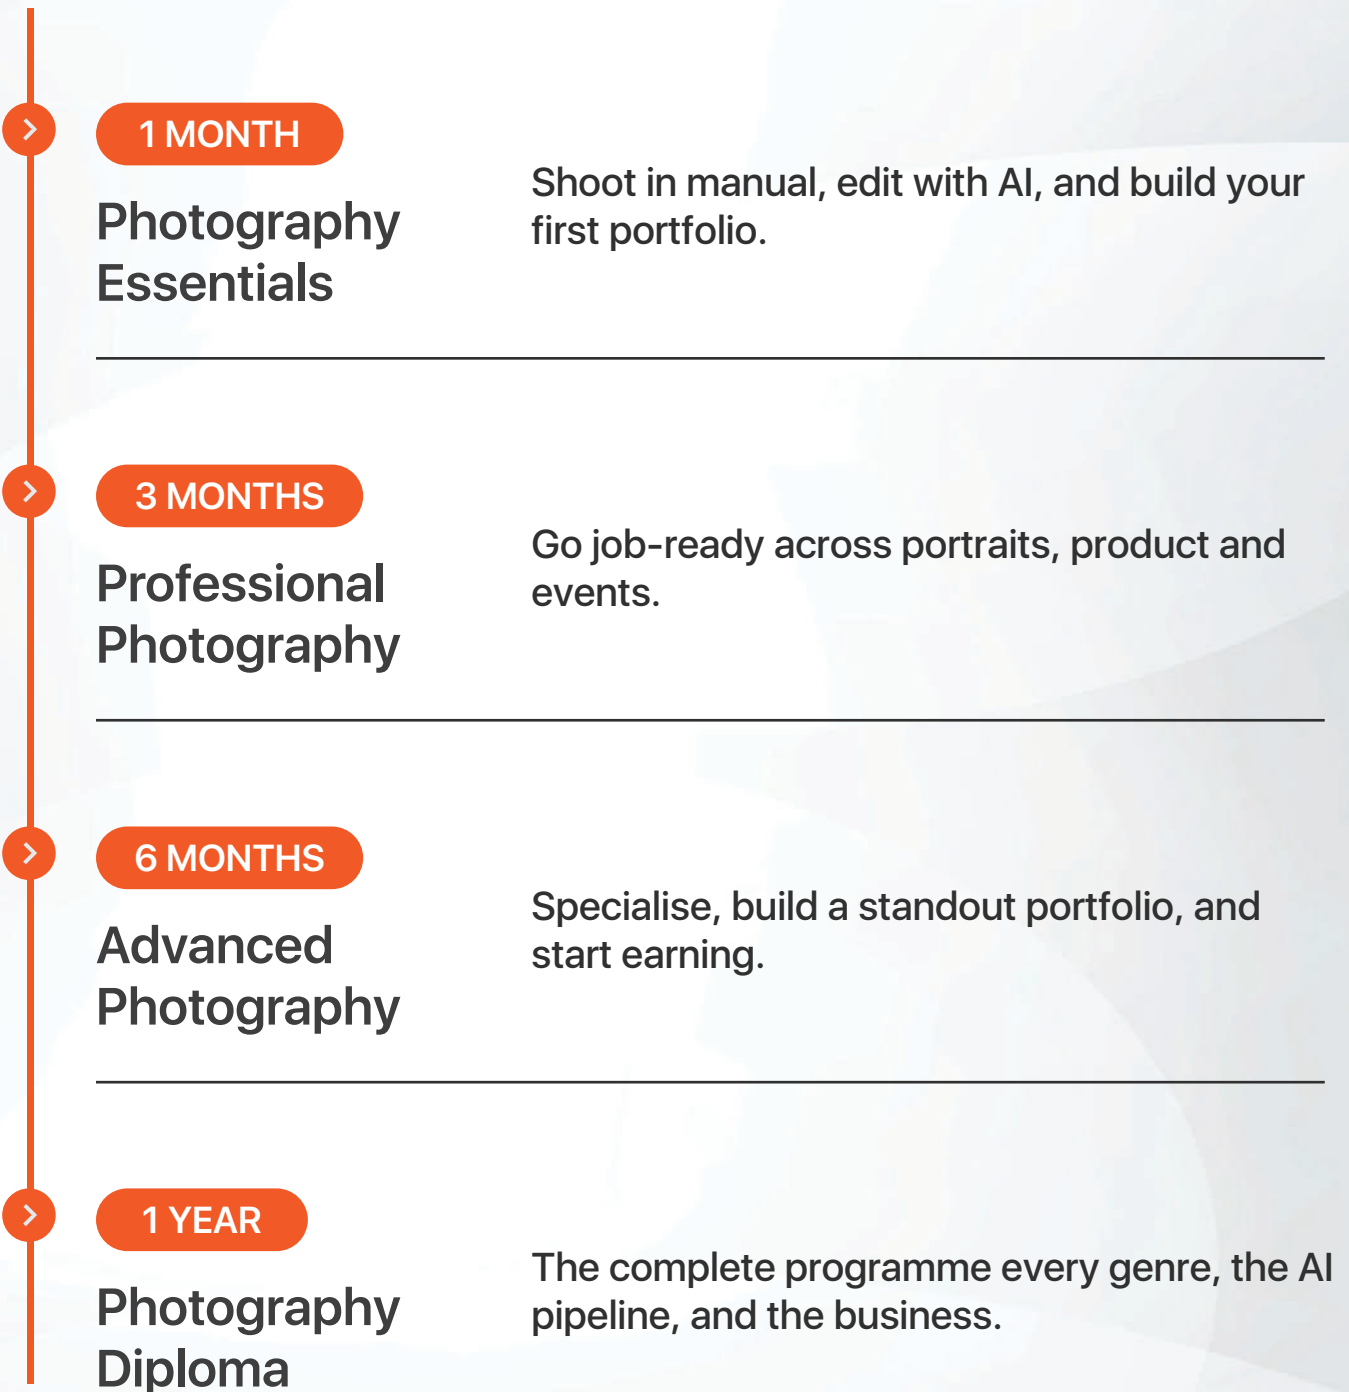

## "AI won't take your job. **A photographer who uses AI will.**"

---

Every Le Mark Institute course is AI-integrated not as a gimmick, but as a skill. You'll learn to shoot and edit to a professional standard and to use the same AI tools working professionals use every day woven through the course and deepening as you rise.

# Start where you are. Go as far as you want.

WHAT YOU'LL WALK AWAY WITH ———

# A showreel. Real skills. A career direction.

By the time you finish, you won't just know photography you'll have the work to prove it.
